Objective

To unfurl my skills on a decent platform and to gain new knowledge by working with different professionals

Education

- **Queen Mary's High School**
SSC 2014
89.40
- **M.H. Saboo Siddik Polytechnic**
Diploma in Mechanical Engg. 2017
85.67
- **Mumbai University**
Bachelors in Mechanical Engg. 2020
8.77

Skills

- Core Mechanical Engineering skills Thermal, SOM, FMM, etc
- Technical skills such as Quality engineering, TQM, 5S, Kaizen, etc
- Good command in various designing softwares
- Decent communication skills

Achievements & Awards

- Participated in various PPT events
- Participated in various cultural events
- Handled a team in diploma while working on a project
- Attended a workshop on life skills
- Attended a workshop on electric vehicles
- State level runner up in mini project competition

Mechanical Projects

- **LPG Cooler**
A refrigeration system in which liquefied Petroleum gas is used as a refrigerant. This project can be incorporated in hotels where prolong use of LPG can be used as a refrigeration system
- **Plastic Injection Moulding Machine**
It converts shredded raw plastics into a useful product by application of heat and pressure. The moulded plastic can be casted into a die of desired shape
- **Cam Operated Hammer**
A Cam mechanism is used to operate the hammer. The purpose of this project is to automatically operate hammer in case of mass production.
- **Mini CNC**
A mini project based on working of tri-axial CNC machine system.

Fields Of Interest

- Refrigeration and air conditioning
- Power Engineering
- Project Engineering
- Design and Quality Engg.

Strengths

- Active problem solver
- High visionary
- Responsible
- Good analytical skills

Personal Details

- Date of Birth : 19/09/1998
- Marital Status : Unmarried
- Nationality : Indian
- Passport : Yes
- Languages known : English, Hindi
- Hobby : Gymming, Content making, editing

Declaration

- I hereby declare that the above information provided by me is genuine and truth.
